C. Shall be requested to sign an agreement of financial responsibility as outlined in our Anti-Theft Policy (see Article 11 Funds, Section 8 Anti Theft Policy).

DUTIES:

1. Public Relations: In Narcotics Anonymous, public relations simply means taking a more conscientious approach to the relationships we create with the public. This is the subject of the Public Relations Handbook; NA’s relationship with the public. These relationships are usually the result of members’ interactions at meetings and events, members performing specific service functions and members representing NA (sometimes unknowingly) during the daily routine of their lives. The scope of public relations is broad, and because of that, this focus is designed to help all of us in the many ways we interact with the public. We can think about public relations as dynamic relationships. The ways we create and maintain relationships with the public will continue to change and to grow over time. Because of these evolving needs, the principles and planning tools presented in Chapters Two and Three of the Public Relations Handbook are the foundation of our efforts. When our relationships with the public change, the principles and planning techniques stay consistent. In addition, much of the handbook’s support material will be updated regularly to meet the changing needs of our public relations service efforts. Part of the responsibility of the RIC is to act as a resource and keep up to date on the changes implemented in the Public Relations handbook, which is simply a place to begin; it is a tool members can use to become more aware and informed. You are the ones who will use this material to create a variety of inspired PR approaches in your local communities. (Adapted from the Public Relations Handbook Preface)

2. Hospitals & Institutions: Acts as a resource to groups and members in their efforts to carry the NA message into hospitals and institutions.
3. **Public Information:** Acts as a resource to groups and members in their efforts to carry the NA message to non-addicts and professional people. Further, these committees shall follow these Guidelines, “The 12 Concepts for NA Service”, “A Guide to Local Services in Narcotics Anonymous”, their successors, and the parliamentary procedures adopted by the CMSRSC.

**SECTION 2.**

The CMSRSC Chairperson shall appoint ad hoc or special subcommittees, with a specific time frame, unless otherwise specified in the motion to commit. Voting on this motion may take place following the ad hoc Committee’s report, or the next regularly scheduled CMSRSC meeting, whichever comes later. As a matter of practice, a definite time frame for the ad hoc Committee shall be established. The ad hoc

ARTICLE EIGHT (8)

VOTING

SECTION 1.

SECTION 5.
When voting upon motions, the CMSRSC shall follow Parliamentary Procedures. Abstention votes will be counted as "blank", but will still be asked for to establish the presence of Quorum. An abstention is a member’s way of not voting, when you do not vote “YES” or “NO”, you have “ABSTAINED”. If there is a large number of abstentions then any member of CMSRSC or the CMSRSC Chairperson may poll the abstention votes to determine if the abstention vote was cast due to lack of information, indecision, or upon direction of the Area represented. If it is determined that the majority of the abstention votes were due to a lack of information then the motion may, at the discretion of the Chairperson, come back out on the floor for further discussion to help clarify the issue.

SECTION 8.

ANTI-THEFT POLICY:

The Eleventh Concept establishes the sole absolute priority for use of NA funds; to carry the message. The "Twelve Concepts for NA Service" give the CMSRSC a
mandate from the NA Groups that calls for total financial accountability. With this in mind, any misuse of funds by Regional Trusted Servants cannot be tolerated.

Should any CMSRSC Participant, Administrative Committee member, subcommittee member or CMSR Convention Committee Member be found to have allegedly misappropriated, or misused CMSRSC funds and/or other assets, the Presiding Officer of the CMSRSC, immediately upon calling the CMSRSC meeting to order, must fully disclose the alleged misuse of funds and/or other assets and the individual(s) involved. Any member accused of misuse of funds and/or other assets may exercise their Tenth Concept right to redress at this time.

A. CMSRSC ACTION:
The CMSRSC, once informed of the alleged misuse of funds and/or other assets, may suspend the participation of individual(s) involved “with cause” by a two-thirds (2/3) vote, pending investigation and resolution. Having been found to have misappropriated or misused funds and/or other assets, said individual(s)’ participation is immediately terminated, with cause, by a two-thirds (2/3) vote. Additionally, any member removed by the CMSRSC for misappropriation or misuse of funds and/or other assets may not hold an elected seat on the CMSRSC or its subcommittees for a period of two (2) years.

B. RESTITUTION:
Individuals removed for misappropriation or misuse of funds and/or other assets, are expected to make full restitution of all CMSRSC funds. Should a member removed for misuse of funds fail to make full restitution said member may be subject to criminal and/or civil prosecution by the CMSRSC.

C. Regional Trusted Servants shall be requested to sign agreements of financial responsibility.

D. PROCEDURE FOR RESOLUTION.
1. Conduct a thorough review of all books and financial records.
2. Then schedule a meeting ensuring that individual who allegedly misappropriated or misused funds or other assets, is informed of the meeting and given the opportunity to present their point of view. After all sides have been heard, a break in the meeting format is taken to allow all present time to engage in prayer and meditation to bring a Higher Power into the discussion and focus on spiritual principles, determining the best course of action.
3. If the individual admits to the theft and agrees to pay back the funds or restores other assets, a restitution agreement can be developed. The individual will be notified that if the restitution agreement is not adhered to legal action will be initiated based on the signed and witnessed restitution agreement.
4. A report about the misappropriation shall be published, and regular reports on the status of the restitution agreement shall be published until the agreement is satisfied. Protecting the identity of the person involved is secondary to being accountable to the fellowship for its funds and ensuring that the person is not put in a position where he or she may do further harm.
5. If the individual refuses to repay the money, or agrees to a plan but does not follow through with the agreement, or if the person has disappeared, it may be appropriate to take legal action. The decision to take legal action is an option that does not compromise traditions or spiritual principles, but it should be our last resort, opted for only when everything else has been tried. We strongly suggest that the decision to prosecute be thoroughly explored before going ahead, using Area and Regional Service Committees, the World Service Board, and Narcotics Anonymous World Services, Incorporated as resources.

6. If legal action is pursued one or all of the following may occur:
   a. A civil action may be filed against the individual(s) and a judgment for full restitution may be obtained.
   b. The CMSRSC may pursue a criminal prosecution of the individual(s) through the proper authorities.

SECTION 9.

The Executive Committee (Chair, Vice-Chair, Treasurer and Recording Secretary), Regional Information Coordinator (RIC), Alternate Regional Information Coordinator (RICA), Web-servant, and Alternate Web-servant shall submit a written six (6) month budget in July and January. The Regional Delegate (RD) and Alternate Delegate (AD) shall submit a one (1) year written budget in July.

   A. **ANTI-THEFT POLICY:**

   The Eleventh Concept establishes the sole absolute priority for use of NA funds; to carry the message. The *Twelve Concepts for NA Service* gives the Region a mandate from the NA Groups that calls for total financial accountability. With this in mind, any misuse of funds by Regional Trusted Servants cannot be tolerated. Regional Trusted Servants shall be required to sign a Memorandum of Financial Responsibility, (MOFR).

   Should any Regional Participant, Administrative Committee member, subcommittee member or Convention Committee Member be found to have allegedly misappropriated, or misused NA funds or other assets, the facilitating Officer of the Region, immediately upon calling the Regional meeting to order, must fully disclose the alleged misuse of funds or other assets and the individual(s) involved. Any member accused of misuse of funds or other assets may exercise their Tenth Concept right to redress at this time.

   1. **CMSRSC Action:**

   The Region, once informed of the alleged misuse of funds or other assets, may suspend the participation of individual(s)’ involved by two-thirds (2/3) vote pending investigation and resolution. Having been
found to have misappropriated or misused funds or other assets, said individual(s)' participation is immediately terminated, with cause, by a two-thirds (2/3) vote. Additionally, any member removed by the Region for misappropriation or misuse of funds or other assets may not hold an elected seat on the Region or its subcommittees for a period of two (2) years.

2. **Restitution:**

   Individuals removed for misappropriation or misuse of funds or other assets, are expected to make full restitution of all Regional funds or assets. Should a member removed for misuse of funds or assets fail to make full restitution said member may be subject to criminal or civil prosecution by the Region.

3. **Procedure for Resolution:**

   a. A thorough review of all books and financial records, by an ad hoc Committee appointed and led by the Regional Chair.

   b. A meeting shall be scheduled, ensuring that any individual who allegedly misappropriated or misused funds or other assets is informed of the meeting and given the opportunity to present their point of view. After all sides have been heard, a break in the meeting format is encouraged to allow all present time to get in touch with their own Higher Power and focus on spiritual principles, before coming back to decide the best course of action.

   c. If the individual admits to the theft and agrees to pay back the funds or other assets, a restitution agreement can be developed. Let the individual know that if the restitution agreement is not adhered to, the intent is to take legal action based on the signed and witnessed restitution agreement.

   d. A report about the situation shall be published, and regular reports on the status of the restitution agreement shall be published until the agreement is satisfied. Protecting the identity of the persons involved is secondary to being accountable to the fellowship for its funds and ensuring that the person is not put in a position where they may do further harm.

   e. If the individual refuses to repay the money, or agrees to a plan but does not follow through with the agreement, or if the person has disappeared, it may be appropriate to take legal action. The decision to take legal action is an option that does not compromise traditions or spiritual principles, but it should be our last resort, opted for only when everything else has been tried. We strongly suggest that the decision to prosecute be thoroughly explored before going ahead, using Area and Regional Service Committees, the World Service Board, and Narcotics Anonymous World Services, Incorporated as resources.

   f. If legal action is pursued one or all of the following may occur:

      1. A civil action may be filed against the individual(s) and a judgment for full restitution may be obtained.
The Region may pursue a criminal prosecution of the individual(s) through the proper authorities.

B. If at all possible, an Employee Identification Number, (EIN), will be used to secure the Committee's bank account, NOT a member’s personal Social Security number.

D. Funds will be appropriated during unfinished or new business by a two-thirds (\(\frac{2}{3}\)) vote and disbursed based upon the treasury's ability to provide such funds.

E. Separate records will be maintained for the financial activities of all subcommittees. Separate records must be maintained for any income with regard to registration and pre-registration and any income from merchandise sales and fundraising events.

All funds, outstanding bills, financial ledgers, merchandise or any other NA asset, minutes and any other documentation must be returned to the Region, at that time so that they may either be passed onto the next Committee or stored in the Region achieves.

A request for the balance of the money can be submitted following the Region's acceptance and approval of the Committee’s budgets, forecasts, and timelines, requiring a two-thirds (\(\frac{2}{3}\)) majority vote,. This operational money is to be returned to the Region to be available to all future Conventions. The availability of an operational fund is not meant to be a substitute or replacement for fundraising activities.

Usually an ad hoc Committee, formed in the Area seeking to submit a bid to host the convention, has been meeting for several months. In order to ensure all members that may have an interest in being a part of the upcoming convention have an opportunity, once the hosting Area has been selected, a flyer shall be published throughout California Mid-State Region announcing the time/date/location of the meeting to elect a recommendation for the Convention Chairperson.

The Chair recommendation is sent to the Region for actual election by the RCMs. It is recommended that the Chair-elect provide a written service resume, ensuring all of the RCMs and Admin Body have a copy for their review.

6. **CONVENTION COMMITTEE FORMATION:**

Once elected, the Chairperson is required to select a location for the formational meeting. Suggested month for first meeting is August, following the current convention. Consideration should be given that this is a **REGIONAL** convention, therefore a flyer announcing all of the meeting details should be provided at the July RSC meeting. After this formational meeting, the Convention Committee now becomes a part of the Regional Body and will be required to have representation at each Regional meeting.

**SPIRITUAL PRINCIPLES**

The Committee, its officers and trusted servants will implement the *Twelve Concepts for NA Service* to be used as the guiding principles of service operations and functions. As our “Twelfth Concept” states, “In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.” We need always remember that our primary purpose is to carry the message to the addict who still suffers. Our convention should strive to maintain an atmosphere of unity, love and support for any addict seeking recovery.

This document was created to implement the CMSRSC Anti-Theft Policy.

The California Mid-State Regional Service Committee has adopted guidelines and operational policies, which apply to and shall guide the conduct of NA Trusted Servants. Current copies of these documents are available on request.

This agreement shall be held in the CMS Regional Archives.

Amended January 18, 2020
These Guidelines refer to the Area-level, Regional learning days sponsored by the California Mid-State Regional Service Committee. The total budget for these learning days must be approved each cycle by the CMSRSC in its unified budget. Remember, these are learning days, not miniature unity days.

I. Scheduling

A. Dates will be reserved six (6) months in advance by coming to the CMSRC meeting and requesting approval for a learning day in the area.

B. Care should be taken to avoid scheduling a learning day when any nearby area in the region or a neighboring region has a unity day or convention scheduled.

C. Learning Days will not be scheduled during the CMSRCNA, World Convention or CMSRSC meeting.

D. Only one learning day will be scheduled in any month.

E. For planning purposes we will split the region into two (2) districts: northern and southern:
   i. Northern: CS CSS, SVG, CVN, and Gold Country
   ii. Southern: CCNA, KT & Foothill

F. Only one learning day per year will be planned for each district

II. Planning and Implementation

A. There will not be any registration fee for any regional-sponsored learning day. Areas are encouraged, but not required, to hold supporting events to help pay for the learning day and generate income to return the seed fund to the CMSRSC. Some of the supporting events that have been held are dinners, soda, raffles or auctions of NA-related items, recovery meeting with 7th Tradition collected to help pay for the learning day and other associated events. If an area wants to sell merchandise specific to this learning day, it will have to be approved by their Area.

B. All leaning days shall be a cooperative effort between PI and H&I committee (and Phonelines if the area has a separate Phoneline committee) at the Area level with a balance of workshops divided between the committees.

C. These learning days are intended to be single-day events.

D. Only one workshop should be scheduled at a time, preferably alternating between PI and H&I and Phoneline topics.

E. All aspects of planning and implementing the event are the responsibility of the area hosting the learning day. Regional PI and H&I leadership will be available to advise and assist the area planning.

F. Selection of topics and speakers are the decision of the area hosting the event. Care should be taken to select speakers with current or previous experience with PI, Phone lines, or H&I in Narcotics Anonymous and knowledgeable about the topic or their workshop. It is suggested that these members be active in the area of service about which they are speaking.
G. Areas may want to get assistance from the area’s activities committee for help in planning any associated events, but it should be made clear this is a regional-sponsored event associated with the learning day and not an area activity.

H. Although areas are completely responsible for planning and implementing their learning day, they should remember there is a wealth of experience at the regional level and in surrounding areas.

I. Areas may want to refer to the Public Relations Handbook or the H&I Handbook for some additional ideas about planning the learning day.

III. Flyers

A. Flyers should be distributed as soon as possible, but at least 3 months in advance at the CMSRSC meeting. Additional copies should be distributed at the ASC in the hosting area and surrounding area or by distribution through the RCM’s at the CMSRSC.

B. Flyers should include:
   i. NA Logo with registered trademark, phone line number with area code and contact person.
   ii. Directions and/or map so members from outside the area can locate the facility.
   iii. Address including city or town where the learning day will be held.
   iv. Recognition that this is a regional-sponsored area-level service learning day.
   v. Clear indication that there is not a fee for the learning day.
   vi. The date and time of the event.

IV. Finances

A. A proposed budget shall be brought to the CMSRSC for approval.

B. Upon approval, each area will be given up to $500.00 seed money.

C. If an area also receives seed money from its own area for this event, then the costs and income will be shared between the area and their region based on a percentage equal to the percentage each part contributed. For example: If the region provides $500.00 seed funds and the area budgets $250.00, any expenses and revenues would be divided 1/3 to the area and 2/3 to the region.

D. Each area will be given up to $500.00 in seed funds to plan and implement the learning day. The money should be returned to the region to fund additional learning days. The check for the returned funds should be made out the CMSRSC and noted that it is returning seed funds and applied to the CMSRSC budget.

E. If the event makes more than the $500.00 seed funds given to the area, the committee organizing the event will turn the funds over to their ASC.

F. Each Area will provide a detailed financial report indicating all expenses and all income amounts and sources. A detailed report of the planning process including problems and successes in producing the event will be provided. A copy of the flyer and program should be included as well.

G. If an Area sells area merchandise or conducts an area fund-raising event at this event, those proceeds should not be considered part of the income from the learning day or associated events. The income belongs completely to the Area.

H. Attendance at the learning day is included on the travel budget for Regional PI and H&I RIC. Travel for their participation should not be included in the learning day budget, but should be paid from the RIC’s line-item for administrative travel.
I. If an Area does not recover all of the seed funds, that is OK. We do not expect these events to make money, but want to recover seed funds so we can plan additional events.

J. Approved expenses are:

i. Rent for the facility
ii. Insurance for the event (The event up to 500 people will be covered as a meeting by regional insurance)
iii. Copies for flyers, registration material, programs and handouts for material covered at the workshop.
iv. Mileage (at approved CMSRSC rate) for speakers traveling within California.
v. Food and Beverages.
